Subject: Regarding Your Letter Dated April 3, 2025 (Request for Student Records under FERPA)

Dear Mr. Smith,

Unfortunately, we do not keep records from the individually taught courses offered in our department. The department office does not keep such records for currently taught courses and most certainly would not have any records from over twenty years ago. Any records of course assignments, exams, or work submitted are held by the instructors themselves.

Sincerely,
The English Department Staff
