I do personal training, help start person off with a computer based workout called Activtrax and sub classes for spinning, Pilates and yoga. Yoga is my favorite class to sub for. I've been connected with the YMCA longer than 2009. Back in Indiana I also did the same thing at the Valparaiso YMCA for about 5 years. I also have experience in repairing a lot of exercise equipment. i.e. replacing treadmill decks, belts, motors, bearings.....

Guitar and fiddle instructor. The women who work here hook me up with really cool students. Here's a couple of experiences that broke my heart. I had this girl for three years. One time during a lesson I noticed she was doing really well with the blue question and answer. After we were done I noticed she wasn't make good eye contact. I asked if she was ok. She said her dog was sick and had to be put down. After that we went back to old lessons and she could play them with emotion and not...

Volunteer Experience

Playing music

CSA Tucson & memory care unit Woodland Palms

In 2010 a friend I met at the YMCA in Valparaiso said I could play here in Tucson. I've been doing it every other week since They've become family. It's been great. When I don't see them I don't feel normal. Recently I started volunteering in a memory care unit.
